MEET JO

I'm JO, the owner & principal photographer of Jo Jobling Photography. I love being able to share in the love of two individuals and feel blessed to get to work with such wonderful people each day!

Based in Dubai, UAE, I've been shooting weddings for over ten years now. There isn't a day that goes by that I don't have my camera.

After graduating from The University of Wales, Newport with a degree in photography, I started documenting weddings of friends and family members to build up my portfolio. In 2012, I started my own studio and never looked back. It has been a long journey with lots of struggles and bumps along the way, but I couldn't be more thankful with where I am now with my business.

Get comfy as you browse my work!

Helpful Tips:

Details help tell the story of your wedding and are often some of our clients' favourite images to include in albums & prints.

Gather all your details before the day starts so I can photograph them quickly! This makes the getting-ready portion of the day go by much more smoothly, and it allows me to spend more time focusing on the spontaneous moments when everyone is together.

Detail shot ideas: rings, jewelry, hair pieces, flowers, shoes, socks, cuff links, socks, letters, pictures, gifts, cultural items, invitations, programs, printed pieces, and any unique items you treasure!

THINK ABOUT GETTING A
WOODEN HANGER FOR
YOUR DRESS. THEY PHOTOGRAPH WELL AND MAKE
GREAT KEEPSAKES FOR
YEARS TO COME. OUR
TIME TOGETHER WILL GO
BY QUICKLY, SO REMEMBER TO RELAX AND ENJOY
THE BIG DAY!

YOU HAVE QUESTIONS

Q: What sets you apart from other photographers?

A: With years of training under my belt, I know how to pose and guide clients to make them feel relaxed while looking their very best. I use natural lighting as often as possible and make sure my sessions are intimate & fun!

Q: Will we get the print release to our photos after our wedding?

A: Yes! Upon receiving your images, you will also get a full print release.

Q: How many photographers will be there at our wedding?

A: All of our wedding collections come with a single photographer, but you are more than welcome to add a second shooter for an additional cost.

Q: Will my photos be posted publicly on your site or social media?

A: I respect your privacy and allow each client to decide whether or not they want their photos displayed publicly. I'd love to show off you & your images, if you're game!

Q: Will our photos get featured in a magazine or blog?

A: Although many of our sessions do get featured, this is not something that is guaranteed. Most publishers are interested in uniquely designed weddings and sessions.

Q: Will you Photoshop my images to hide any unwanted spots, wrinkles, etc?

A: Minor edits will be made to all of your images, but I believe our imperfections are what make us beautiful & unique. If there are specific edits you want, these will be charged accordingly, depending on the type of corrections.

I HAVE ANSWERS

Q: Do you have a list of preferred vendors to use?

A: Yes! From wedding planners to florists and caterers, we have worked with some of the best companies in the industry & would love to share their information with you!

Q: Do I have to order prints through you?

A: I highly recommend ordering prints through one of my professional vendors, but it is not required. The difference in quality is huge when it comes to ordering through a professional lab, so I encourage clients to let me help with prints!

Q: What equipment do you use?

A: I use all of the latest Canon equipment. I always carry the 5D Mark IV, the Mark III, 50 mm lens, 24-105 mm lens, & the 70-200 mm lens, among other items.

Q: Do you photograph destination weddings?

A: Yes! I've shot many destination weddings and am more than happy to create a custom wedding collection to suit your travel needs.

Q: Are the people featured on your site models?

A: For the most part, no. While I am lucky enough to work with gorgeous clients, the majority of the images shown on my site and blog are of regular, paying clients.

Q: How do we reserve our wedding date?

A: A 50% deposit & signed contract is required in order to get your wedding day on the calendar. The remainder of your balance is due two weeks prior to your wedding.

GETTING OUR WEDDING

WHAT TO EXPECT

Hair + Makeup

If you don't already have someone booked then let my hair & makeup artists work their magic as they highlight your gorgeous features. Come with your hair washed & a clean, make-up-free face. If there are certain looks you love, bring photos or links to use as a reference!

Payment

A 50% non-refundable deposit is required in order to secure your date. The remaining 50% of your balance is due two weeks prior to your session.

Scheduling

Weddings are scheduled 9-12 months in advance. Cancellations and reschedules must be made via email or phone at least 48 hours prior to your session. Deposits are non-refundable.

Wardrobe

Wear something that makes you feel comfortable & confident! Patterns, bold colors, and accessories photograph really well. Don't hesitate to ask for outfit recommendations.

IF YOU WOULD LIKE TO INCLUDE AN ENGAGEMENT OR BRIDAL SESSION, LET ME KNOW! I'M ALWAYS UP FOR CREATIVE IDEAS.

“WHILE WE OBSESSED OVER
HAVING THE PERFECT WED-
DING, AFTER EVERYTHING
WAS SAID AND DONE, OUR
FAVOURITE MEMORIES WERE
THE ONES THAT DIDN'T GO
EXACTLY AS PLANNED.”

HELPFUL TIPS

If you choose to do a pre-wedding session, be sure to try on your wardrobe options to make sure they look & feel the way you want. While it is great to complement your future spouse in photos, by no means do you need to wear matching outfits.

Bring a few more accessories & outfits than you actually plan on wearing. It's always a good idea to have options!

If you're wondering what to wear on your wedding day before getting ready, wear something comfortable! You want to start off your shoot feeling relaxed (idea: throw on a tank top with leggings & a kimono).

Is your skin looking a little dry? Remember to stay hydrated the week before your shoot. For an added glow, avoid alcohol & extra salty foods. Hydration is key to healthy skin!

Are you thinking about getting a spray tan & using tanning lotion before your session? Don't do it! Aside from the unwanted streaks these products often leave, they also give your skin an orange tint that isn't flattering in photos.

Remember to relax & have fun! I'll take care of all the nit-ty-gritty details - sit back, & enjoy every moment!
